

**MASTERPIECE INTERIORS PROMOTES
LISA MULHOLLAND TO DESIGN DIRECTOR**

WINTER PARK, FL – Interior designer *Lisa Mulholland* of *Masterpiece Interiors*, a significant contributor to the Winter Park company's success, growth and award-winning accomplishments the past five years, has been promoted to Design Director.

Mulholland, a 15-year interior design veteran who joined Masterpiece Interiors in 2004, will be responsible for overseeing and managing the design teams for all the three divisions under the Masterpiece umbrella – *Residential, Resort* and *Model Merchandising*, says company COO *Christy Scanlon*.

In her new capacity, Mulholland will oversee every aspect of a design project from conception to installation and insure that projects are “beautifully designed, on schedule and meet the high standards of quality established by Masterpiece,” says Scanlon.

The promotion also will enable Scanlon to freely “focus on other key aspects” of the 10-year-old company's operations, including continued expansion, marketing and promotion and new business development, Scanlon adds.

Masterpiece Interiors has been one of the state's fastest-growing and busiest design firms over the past several years, providing a multitude of professional services for a number of the building industry's heavyweights, including *Engle Homes, Lennar Homes, Standard Pacific Homes, Ryland Homes* and *Ginn's Reunion Resort*. The company has numerous projects throughout Florida, including Greater Orlando, Tampa, Sarasota-Bradenton, Jacksonville and South Florida.

“Lisa has been a valuable member of the Masterpiece team and an integral part of its success since her arrival five years ago,” says Scanlon. “We feel that Lisa has clearly demonstrated that she is more than capable of helping take Masterpiece to the next level and we're excited to give her this responsibility.”

Mulholland will have a direct hand in the three divisions which have been growing consistently and expect to remain that way despite the economy. The company's Residential Division caters specifically to individual home owners; Model Merchandising serves major homebuilders and new home communities; and its Resort Division is geared to couture hotels and resort communities.

Mulholland is a graduate of Florida State University and resides in Oviedo with her husband and two children.
