

MASTERPIECE
DESIGN GROUP

A modern, luxurious living room interior. The space features a large, dark wood staircase with glass railings on the left. In the center, there is a large, light-colored sectional sofa and a dark, patterned armchair. In the foreground, there are three large, patterned ottomans. A large, round, dark coffee table with a metallic base is in the center. To the right, there is a glass display case containing a large, abstract sculpture. The ceiling is white with recessed lighting and a large, circular chandelier. The floor is covered with a light-colored, patterned rug. The overall atmosphere is sophisticated and contemporary.

Who We Are

Masterpiece Design Group is an award-winning, full-service interior design firm located in Winter Park, Fla. We're dedicated to elevating spaces for our clients across the Southeast U.S., offering a comprehensive range of services, including model merchandising, commercial and residential interior design, and furnishing resale management. Whether we're working with some of the nation's biggest builders and developers, private homeowners or prominent architects, we help create spaces that inspire.

Our philosophy is that a beautiful space should inspire new possibilities, so with every project we execute, we aim to help clients discover potential. Our approach is creative, collaborative and client-centered, with each design reflecting our customer's unique style and needs. With our extensive knowledge of the industry, we artfully blend market research and creative expertise to achieve individual design and model merchandising goals.

Talent and versatility are what set us apart. Our team comprises some of Florida's most skilled interior designers and model merchandisers; we are guided by a strong passion for creativity and innovation, decades of market experience and a deep commitment to client relationships. Our versatile services span commercial, residential, model merchandising and resale management needs. With more than 34,000 square feet of studio and warehouse space, we're able to provide unrivaled efficiency for projects of any size and scope.

Saturday Models

A service for builders, a deal for buyers

Our Saturday Models division serves homebuilders and smart shoppers. When our homebuilder partners are ready to close on their models, we're there to help with the next phase. We make clearing out model furnishings a seamless process through our outright purchase or consignment services options. Then, through our resale management program, we create an affordable marketplace for the public to purchase these unique home furnishings and décor at liquidation-sale prices.

For buyers

Saturday Models is a retail operation opened to the public on select days throughout the month, offering luxury model home merchandise at near-wholesale prices. Our collection of high-end home furnishings from Florida's most esteemed homebuilders attracts buyers from coast-to-coast who come to Saturday Models for exclusive access and unbeatable deals.

For homebuilders

Masterpiece Design Group helps builders create model homes that inspire, and when your model has sold, our Saturday Models division makes the process easier. Through our purchase and consignment services options, we provide hassle-free home merchandising liquidation that truly impacts your bottom line. We handle prompt inventory and transport of your model furnishings, and ultimately promote the items for public sale.
